

REMARKS:

In Applicant's response to the previously issued Notice of Missing Parts, Applicant submitted an executed oath/declaration and also provided the requisite filing fee. However, Applicant failed to provide replacement drawings as requested by the Examiner. The Examiner subsequently issued a Notice of Incomplete Reply (Nonprovisional) dated March 12, 2004. A copy of this Notice is enclosed herein.

In response to this Notice, Applicant has enclosed herein a set of replacement drawings (7 sheets) which are in compliance with 37 CFR § 1.84(l) and (p)(1)). It is thus respectfully submitted that the previously issued Notice of Missing Parts has been fully responded to.

It is believed that no fees are due with the filing of this Response. However, should a fee be required, the Commissioner is hereby authorized to charge (or credit any overpayment) to the deposit account of Hulsey Grether + Fortkort, LLP, Deposit Account No. 50-2726.

Respectfully submitted,

HULSEY GRETHER + FORTKORT, LLP
